The Royal Group, UAE

Dear Mr. Kanji:

**RE: Strategic investment in the Sultanate of Oman**

It is my pleasure to extend to your company an invitation to invest in Oman in some strategic sectors and utilize facilities and infrastructure available in the country.

The government of His Majesty Sultan Qaboos bin Said recognizes the specific needs that your company requires in the financial services and has paid particular attention to these needs to ensure the security of your capital as per the laws and regulations of Oman. As such, special arrangements were made for BMS International Commercial Investments LLC (BMS) part of the Royal Group of Companies in United Arab Emirates, by the Public Authority for Investment and Export development (Paiped) of Sultanate of Oman to facilitate your needs.

The framework that has been jointly developed with the BMS team will provide to the selected clients first class level of support, access and safety to the Financial Institutional network in Sultanate of Oman and the Clients corresponding banks globally.

Once again, I wish to thank you for choosing the Sultanate of Oman as your regional hub for such investments and would like to avail the offices of Paiped for any assistance you might need in the future

Sincerely:

Salem Ben Nasser Al Ismaily
